

Terms and Conditions

Introduction

Welcome to Artik, a community driven investment protocol where investors can suggest, discover, and vote for hand-picked high potential projects. By using our platform, you agree to be bound by these terms and conditions.

Weekly Voting Competition

Artik is built around a weekly voting competition, where holders can vote for the project that they prefer. The winner of the vote will be airdropped to holders.

Taxation

Every transaction of \$ARTK is taxed 10% and divided as follows: 6% used to buy the tokens with most votes and airdrop it to holders, 2% used for buyback and burn, and 2% used for marketing.

Benefits of Holding \$ARTK

- Holding \$ARTK provides the following benefits:
 - Weekly airdrops of high potential projects
- Effortless diversification of your portfolio with hand-picked projects
- Being part of an active community that collaboratively reviews opportunities
- Risk Disclaimer
- Investing in cryptocurrency and digital assets is highly speculative and comes with many risks. The value of these assets can be highly volatile and may fluctuate significantly in a short period of

time. You should carefully consider whether investing in Artik is suitable for you in light of your financial condition, investment experience, and other relevant circumstances.

Limitation of Liability

Artik will not be liable for any damages or losses arising out of or in connection with the use of our platform, including but not limited to direct, indirect, special, incidental, or consequential damages.

Changes to Terms and Conditions

We reserve the right to change these terms and conditions at any time. Your continued use of the platform following any changes indicates your acceptance of the new terms.

Governing Law

These terms and conditions shall be governed by and construed in accordance with the laws of the country in which the platform is incorporated.

By using the Artik platform, you confirm that you have read, understood, and agree to be bound by these terms and conditions.
